

Knights Power

Buckingham County Middle School is excited to offer students and their families participation in the new **21st Century Community Learning Center.**

AFTER SCHOOL PROGRAM

Knights Power will give students the opportunity to take part in after-school homework help, tutoring, enrichment, and recreation. Family members will be invited to fun family engagement events, parent workshops, and all *Knights Power* family events. Students who participate regularly in the *Knights Power* school year program will have priority access to the *Knights Power* spring Saturday Academies, Fun Fridays, and a week Summer day camp.

Spaces are limited and will be filled with a first come, first serve; while priority will be given to students who sign up for 3 days a week and students who demonstrate an academic need for tutoring or remediation support.

The after school sessions will run on **Monday, Wednesday, and Thursdays** from **3:15pm-5:15pm**. Each session will begin with a healthy snack and homework help. Math and Reading tutoring and enrichment will be provided on Mondays and Wednesdays to all participants. Enrichment and recreation sessions will be offered for students looking for activities to enhance their learning beyond tutoring. If accepted, students can select their top choices for the enrichment and recreation classes. We will be offering activities like: Flying Classroom STEM, gardening, offerings from the YMCA, 4-H Programs, and other enrichment activities. All students who regularly participate and show positive behavior will be invited with their families to our Fun Friday events that will be held.

Please contact Ms. Stearrett if you would like your child to participate. Please remember, spaces are limited and turn your child's form in as soon as possible. **Forms are due by Friday 9/4/20.**

All accepted participants and a family member are required to attend an orientation. Orientations will be scheduled with the program coordinator and will be virtual.

We look forward to having your child join us in this exciting opportunity.

The *Knights Power* program is offered free of charge to all participants and their family members. It is being funded with a three year 21st CCLC grant. We will work in collaboration with our community partners from: Virginia Cooperative Extension-4H, Parks and Recreation, Farmville YMCA, and Peter Francisco Soil and Water Conservation.

The *Knights Power* program is a 21st Century Community Learning Center. This program is being funded with a 3 year federal 21st Century Community Learning Centers grant administered by the state of Virginia.
